## YEA! Business Score Sheet

---

**Steps:** 1) Write the name of the business that is presenting.

2) After each presentation, rank the business. A score of 5 indicates that a business is ready to move on. A score of 1 indicates that a business is not ready to move on.

3) Write the reason that you gave a business a specific score. Ex. I gave a score of 2 because the presenter could not explain how the business would be funded.

**\*Please note that if you do not give an adequate reason for your score, your vote will not be counted.\***

4) After all businesses have presented, the Program Manager and Instructor will total all scores for each business, and the top 12 businesses will move on to the Investor Panel. The Program Manager will post the top 12 businesses on the Student Login portal of the website: [www.cpbchamberyea.org](http://www.cpbchamberyea.org), and will send an email before the next class.

5) The top 12 businesses will be paired with a Business Mentor by class on 12/16/15.
